

JOHN HEIMKES IV

Web Developer

EMAIL: john@theiv.me

PHONE: 763.238.1554

ADDRESS: 2969 120th Ave NW
Coon Rapids, MN 55433

SPECIALTY: Web Development

SKILLS:

- HTML/CSS
- WordPress
- PHP
- Ruby on Rails
- JavaScript
- jQuery

MarkupIsArt

Software Engineer

January 2010 – present

Helped with numerous projects including:

- mustache.me
- LifeRules.me
- GoodFuckingDatingAdvice.com
- InspireMPLS.com

Sevnthsin

Contractor

December 2010 – January 2011

Helped with the Metro Magazine iPad app they built. I was given InDesign files for two issues and tasked to turn each spread into HTML5 / CSS to be viewed on the device.

Grandpa-George

Web Developer

April 2009 – February 2010

This involved working as a well rounded web developer. This included working as a frontend developer (HTML / CSS), backend developer (PHP), building heavily with WordPress, and local server administrator.

Apple, Inc

Specialist / Visuals Merchandising Lead

October 2007 – March 2009

Being a Specialist involved engaging the customers on a personal level and talking about the various Apple products. I was also the lead employee on the visuals team which specialized in overnights for big product launches, and setting up new display items.

EDUCATION: The Art Institute International Minnesota

DATES OF ATTENDANCE: October 2007 – December 2010

Received a Bachelor of Science degree in Web Design and Interactive Media
